Care and Support of the Month

November's Care and Support Award for this Month goes to Zikinna, as voted by her colleagues!

Zikinna's feedback was literally 'Ace' and the nominations highlighted her caring, gentle and supportive nature.

Congratulations and thank you to Zikinna for simply being lovely.

How are we doing ?

In the next few days we will be posting out to all our clients a questionnaire about the service we provide for you. We would greatly value your feedback as we are continually striving to improve the quality of our personalised service.

Many thanks, in advance for you help.....

A 'R.E.A.L.' Treat.....

On Friday 9th November, 15 of our Mansfield clients were welcomed to the R.E.A.L. Education's Alternative Provision School (RAPS) for a 'Fish, and Chips' Friday.

R.A.P.S learners and staff organised the community event in partnership with Respectful Care with the afternoon financed by R.E.A.L.'s successful bid for funding from the Co-op Community Fund last year. Our clients were treated to a fish and chip feast followed by a game of Bingo that was all organised and planned by a level 3 National Vocational Qualification (NVQ) catering learner as part of his course.

This is the second time our clients have visited R.E.A.L. with the first event held in March, where they enjoyed a 'High Tea'. The next visit is planned for March next year with the theme of 'Pie and Peas'

If any of our clients are interested in going to the next event, please contact the office.

Children in Need 2018..... we are delighted to say our non-uniform day in the office this year raised over £30 - thanks to all those who took part!!

Merry Christmas and a Happy New Year
